REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the claims in this application have been allowed because the prior art, alone or in combination, does not disclose a highly automated production environment comprising a transmitter attached, implanted or ingested on or by a particular animal which identifies the particular animal by a unique signal, a measurement unit positioned in front of a consumption location comprising: an antenna mounted to the unit that receives the unique signal from the transmitter, a weighing device that measures partial body weight of animals system for managing individual animals in a while they consume substances, an electronic signal transmitting and receiving device that acquires signals from the antenna and weighing device to send acquired signals to a computer and receive instructions from a computer, an animal marking device that visually colors a particular animal while they consume substances, a computer that acquires, assembles and analyzes data received from the measurement device and other sources and sends marking instructions to the measurement unit.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Yvonne R. Abbott whose telephone number is (703)308-2866. The examiner can normally be reached on 7:30-5:00 flex schedule.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Charles T. Jordan can be reached on (703)306-4159. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
